"I have never heard such a gifted speaker...I feel empowered by the knowledge and practical suggestions she has given."

Parent, Cork

---

"It was excellent; really very informative and very well delivered."

Parent, Belfast

---

"Fantastic course, have taken back my ideas to use in the classroom - have discovered so many things that will help the child in my class e.g. sensory diet"

Educational Professional from Northern Ireland attending  
a Sensory Processing and Autism course

---

"Course contained lots of useful information, ideas and worthwhile resources to use in the classroom as well as areas to research more"

Educational Professional from the Republic of Ireland  
attending a course in Communication

---

"Very well delivered. Lots of ideas provided."

Parent, Carrick on Shannon
