Rebuilding Lives Affected By Childhood Cancer  
**BARRETSTOWN**  
a seriousfun camp

10 July 2015

To all the Students in 6th Class in St Pauls National School,

It's because of you that we're able to make Barretstown such a magical place for children with cancer and other serious illness.

Thank you so much!

The €125.00 you donated will help us bring even more children with cancer to experience the magic of Barretstown.

Many of the children who come to our camps are still getting cancer treatment. Some are missing their hair. All of them would've spent a lot of time in hospital, missing time in school, and time with their friends.

But then children come to Barretstown, and they have NON-STOP FUN! They start forgetting about hospitals and doctors. They get to do things like face painting in arts & crafts class, climbing to the top of our high ropes, and exploring our secret garden.

It really is a special camp programme, that we've created just for children who are very sick.

But it's amazing young people like you and schools like St Pauls National School that make it possible for us keep bringing children to Barretstown.

Thank you again for raising money for Barretstown, you are helping to bring more children to our camps to have some serious fun!

Your sincerely,
