

St Paul's Gaelic Football

Hello this is Darragh Harte and Shane Cleary from Mr Roe's class telling you all about Gaelic football for boys in St. Paul's N.S. Since the start of the year we have been training hard. Every Monday there is training for boys in Ratoath GAA club. We learn new skills at every training session. We also played a match against St Declan's in September. Shane played in goal and I played in the defence.

Everyone played in the match and we really enjoyed it. Of course there wouldn't be St. Paul's Gaelic if it weren't for the teachers – Mr Burns, Mr Wallace and Ms Ni Chinneide. St Paul's had a great team last year and we hope this year's team is as good. We also train every Thursday in our brand new hall. We would love anyone one who is interested to come down to the football every Monday and Thursday. That's all for now
