VALUES, CONFIDENCE, RESULTS

Check out our plans for future development on [www.ccr.ie](http://www.ccr.ie)

Cistercian College is a seven-day Boarding School for boys. The College places a strong emphasis on academic performance and supervised study is available for students 7 days a week. Equally, sport is a major element of the school day and state-of-the-art facilities are available for both indoor and outdoor activities. The influence of the adjoining Monastery is an integral part of the College.
