

Ratoath/Rathbeggan Community Games 2011

This year St. Paul's took part in the Community Games handwriting and art competitions. Pupils from 3rd and 4th class were picked to take part in the competition. Ms Ward helped the children with the handwriting, while Ms. O'Riordan helped those partaking in the art competition. All the pupils who entered did great pieces of work and we experienced great success in both the Under 10 handwriting and art competition. Well done to you all. We are very proud of you! Those who got 1st and 2nd places will now go to the Community Games County final in Dunshaughlin on February 12th. We wish them the best of luck.
