The children in Ms. Gogan's, Ms. Kieran's and Ms. O'Donnell's classes put on a fantastic show in the Tallaght Arena last week for the Cor Fhéile. Both teachers and parents were beaming with pride to hear all the children sing so beautifully! Here's what some of the children wrote about it...

Singing and Dancing at the Cor Fhéile!

Reporter: Cian Bukley, Ms. Gogan's 4th Class

Ms. Gogan's Third and Fourth class performed at the Cor Fhéile. It was on in the National Basket Ball arena. It was took place on Monday the 7th of March. Our show was based on Tír na nÓg. The part we did was when Niamh comes to Ireland. The songs we sang were "I'm yours" and "Tír na nÓg". We also played "The Kerry Polka" on the tin whistle. All of our class came up with dance moves. The Kerry Polka is an amazing tune on the tin whistle. Conor Phelan played the guitar and sounded amazing! Well done Conor! It was fun practicing and everyone had a great night in the arena! Thanks Ms. Gogan for teaching us the songs!

Ag canadh agus ag damhsa sa Tallagh Arena!

Reporter: Evun Cantwell, Ms. Kieran's 2nd Class

Last Monday, on the 7th of March, my class participated in the Cor Fhéile at the National Basketball Arena in Tallaght. It is a big hall with a stage in the middle and seating all around. We had our St. Paul's banner. We sat with the other classes from St. Paul's and our teachers. We were all a bit nervous waiting our turn. There were eight acts and we were sixth to go up on stage. We performed three songs called "God help the outcasts", "Is leatsa í" agus "Consider Yourself". Ms. Hession played the piano and Ms. Gogan accompanied on the guitar. All the other acts were really good. There was a big audience and we got lots of applause! The moltóir sat in the middle taking notes of the performances. It was fun being on stage even though we were nervous. We had a great time and we wish we could do it all over again!

Our Class took part in the Cor Fhéile this year. It was in the National Basketball arena. Three classes from our school were there. We got to watch the other schools perform. Then at last it was our turn! I got the part of Oliver! We sang 3 songs. I loved "Is leatsa". That is an Irish song. My sister was performing too in Ms. Gogan's class. She did the "Kerry polka", "I'm yours" and "Fadó, fadó". It was late when we got home. I had lots of fun. I hope I get to do it again next year!

X Factor here we come!

On the 7th March 2011, our class went to the National Basketball Arena in Tallaght to participate in the Corfhéile. We arrived at 7.30 pm with our families. There were lots of other children there from other schools. Miss Gogan and Miss Kieran's class from St. Paul's performed also. When we got on stage, we were really nervous and excited! We sang three songs- Fáilte Isteach, An Aimsir and Hách Amach. We got a huge round of applause! It was a great experience!
