

Medal Presentation

On the 20th of January 2012 the medal presentation took place in the Ratoath GAA Club. There were lots of trophies won in 2011 and the two in the picture are the minor championship and the U11/12 championship cups. There were two senior players there that night, the Meath Captain Seamus Kenny and Joe Sheridan. At the start the captains brought the trophies in and put them on the table, the teams were called one by one with their own speech about how they won the trophy. When that was done there were pictures taken and

everyone went into the bar to have food and drinks. Some of the kids went upstairs to the hall to play football. It was a great night for the managers and the players.
