Co. Meath.

Dear Yvonne,

Many thanks to you, the staff and students, for arranging and participating in the NCBI clothing collection in St. Paul's National School recently held on 26th February. Most of your donation will help in stocking our network of retail charity shops with the remainder sent for recycling.

We provide services to 18000 people every year and it is estimated that 224,000 people in Ireland experience severe problems with their eye-sight right up to total blindness.

I enclose a certificate highlighting your donation together with a cheque for the 131 bags donated and wish to express our sincere gratitude for your support to NCBI.

Yours sincerely,

Stephen Whelan.

NCBI Supply Chain Manager.

Thank
YOU!
