

# Poets in Ms. O'Toole's Class!

The Second class boys and girls in Ms. O'Toole's class were busy this week writing poems on what they think the new school is going to be like! After all their brainstorming and writing, they then typed up their poems on the computers. Have a read of some of their fantastic poems...

## The New School

*By Andrew Maguire, 2<sup>nd</sup> Class*

Our new school is going to be so cool,  
It doesn't have a swimming pool,  
But the Golden Rules are so cool!  
Our school is the best,  
Forget the rest,  
There is no contest!  
We do our best,  
School we don't detest  
There's going to be a basketball  
Court and lots more fun sport  
There's homework club and Handball  
Mix it all together  
And you have a classic cool School!  
Our new school will weigh a tonne  
We will have fun in the sun  
With play every day!  
Let's all say..... HORRAY!!

## Our New Cool School with Ms. O'Toole

*By Sam Magee, 2<sup>nd</sup> Class*

Our new school will be the best,  
Forget all the rest!  
It won't have a swimming pool,  
But ah well, at least we'll have Ms.  
O'Toole!  
It will have room for sport,  
Not to mention a basketball court,  
That will probably point north!  
Will everyone stop saying that they're  
the best,  
Believe it or not,  
Forget the rest,  
We're the best!  
We'll have a tonne of fun in the sun,  
Not to mention maybe if we're lucky, a  
big bun!  
We'll have a wonderful garden,  
With a fox's den and his cousin Ben!  
Oh I can't wait, it's gona be great,  
A day in my new school, make it a  
date!

## The Best School!

*By Genevieve Sload, 2<sup>nd</sup> Class*

I will miss our old school.

But I think our new one will be cool!

Ms. McGowan owns the school,

Ms. O'Toole will be there too and  
she is cool!

We will have fun in the sun,

The school will weigh a tonne.

But we will still not be allowed buns!

We will have a library full of books!

A kitchen for lots of cooks!

Come and have a look!

Our school will be so cool,

It will look brand new!

It won't have a pool

But at least we'll have Ms. O'Toole!

We'll be the best,

Leave behind the rest!

We will do well in our test,

We will always win any contest!

We will have so much fun in the sun,

But we still will not be allowed to have  
buns!

The school will be as shiny as a new  
star,

The yard will be made of tar,

It will be the best school around by  
far!
