

Official Opening of the School!

It's hard to believe, that last Friday, just eight months after the builders first came on site at St. Paul's, we had our official opening of our new school building. The day couldn't have gone any better! There was a constant supply of beautiful songs from beginning to end from a wonderful choir of our fourth and fifth class children. Among others, Bishop Michael Smith was an honoured guest to have on the day. He started the day by planting an oak tree on the school grounds as a remembrance for this special day. A ribbon was then cut by Bishop Smith to officially declare the school open and a beautiful bog oak plaque was unveiled which can now be seen in the main foyer of the school. This was followed by a mass in the hall and the school was blessed. A huge thanks was expressed to everyone involved in helping our new school building happen! We couldn't be happier with our fantastic new building!

Here's some pictures from the day...
