

Our Experience of Meath Community Games  
Choir Championship  
by Mollie Kennedy & Emily Nannery

On Sunday the 24<sup>th</sup> of March we travelled with our parents to Drumconrath in Co. Meath to sing with St. Paul's Choir. When we got into the hall everything was being set up. By the time we got on stage it was approximately three o'clock.

Just before we went on stage we went into a room at the back of the hall and we did some vocal warm ups. When we went on stage our first song was "Help" by The

Beatles, our second song was "Rolling In The Deep" by Adele and our final song was "One Day More" by the cast of Les Miserables.

As soon as we got off the stage we felt that we had sung our best and we also felt very proud. Then we had a break and we got something to eat. When our break was over we went to sit with our parents until first and second places were announced. Slane came in second place and then finally they announced first place ..... "And in first place is St. Paul's Ratoath Co.Meath...." We couldn't believe it after all those days lunch times and after school classes we sacrificed for this moment.

We can't wait until the All Ireland win or lose we got to the All Ireland and we are proud of it. This time we are going to travel to Athlone on a bus on the 25<sup>th</sup> of May.

Thanks so much to our wonderful principal Ms.Mc Gowan, and our singing teachers Ms.Hession and Ms.Kieran.
