

RTE Series seeks Families to take part in Financial Makeover!

Do you run out of money half way through the month, throw out half of what's in your fridge, or pay your bills without even looking at them? Would you like to afford a nice holiday or a new car and have no idea why you can't? If so, **we want to hear from you!**

A new series produced by Animo Television for RTE 1, will show money wasting families how they can **live like kings without earning an extra penny**. Our participants will gain access to a team of experts, with tips and tricks to wasting less and beating the system. By making small, painless changes, you could convert the money you are throwing away without even noticing, into money in your back pocket.

Our experts will also be on hand to teach you how to negotiate the best deals on your bills, show you where you are wasting money subconsciously and find you that **wad of cash** you think you don't have to spend on something you **REALLY** want.

If you and your family are interested in taking part, contact us on 01 5313864 for more information, or email money@animotv.ie
