

Ratoath Harps Irish Rail Cup Win

Ratoath Harps U10s travelled to the North Dublin School Boys/Girls (NDSL) Stadium, Oscar Traynor Road to compete in the Under 10 NDSL Irish Rail Cup Final on Saturday 11th May. They played against Glebe North Squad who were worthy opponents. Both teams displayed excellent soccer skills and sportsmanship. Ratoath Harps clinched victory winning by 2 - 1 having come back from 1 - 0 down! Remarkably, this is the team's first competitive season together. Having only formed last September, the team have trained together in all weathers under the expert guidance and mentoring of their coach Mick Ryan. The Irish Rail Cup 2013 was presented by Tony Gains, CEO of NDSL. Five team players go to school in St. Paul's - Callum Brady, Sam Buckley, Karlin David, Mark Kearns and Andrew McGuire. Well done all on a fantastic win!
