

# Digging and building at the St. Patrick's Parade!

The Saint Paul's construction crew were out in full force at the St. Patrick's Day parade in Ratoath on Thursday! The uniforms were left at home and hard hats and high visibility vests were worn instead! Amongst the builders lots of shamrocks, Irish flags and balloons could be seen! It was a fantastic celebration of both the beginning of the building of the new school and St. Patrick's Day! The children had an absolute ball and there were lots of tired faces to be seen at the end of the day! A huge thank you needs to be given to the Parents' Association for all their hard work in organising it. It is greatly appreciated!

Have a look at some more photos from the day....
