

U11 Boys Retain Meath Olympic Handball Title

There were great celebrations in St. Paul's as the boys U-11 boys successfully retained their U11 county crown. Having qualified for the finals day by winning their local group, the boys had trained hard in preparation for the big day. The finals took place in Claremount Stadium in Navan. Played in a round robin format, the boys faced St. Joseph's of Navan in their first game. It was a very tight affair in which the boys had to defend hard as well as work hard to break down a very good defence. Eventually St. Paul's patience paid off and they ran out winners on a final score line of 2-0. This result meant that if the boys were victorious in their final game against Robinstown, they would claim the title. The boys started really well and raced into a 4-0 lead by the half way mark. Although Robinstown fought hard, St. Paul's claimed victory on a final score line of 7:1. Our captain Aaron Farrell was presented with the winning shield on behalf of a very tired but happy team! All 13 boys on the panel played their part in what was a great victory and the boys now look forward to defending their All-Ireland title.
