## Our First Challenge Match of the Year

On Tuesday the 8<sup>th</sup> of March 2011, the girls and boys under 11 Olympic handball team in St. Paul's went on a bus to Skyrne to play their first challenge matches against two teams- Yellow Furze & Kentstown. It was a cold day but we were ready for the challenge. It was a special day for us as we were the first team to ever wear the St. Paul's jersey in competition. Sadly after a great fight the girls lost but on the other hand the boys won. It was really good fun. The boys and girls will continue practicing and hopefully will get into the next tournament. Below are pictures of the two teams that participated.

☺Thank you, that's all for now ☺

First we collected the Kentstown handball team from their school. Then we went to the handball hall in Skyrne to play against two other teams - Kentstown and Yellow Furze. The girls played their handball matches first and then the boys played Kentstown and lost 6-5. Then we played Yellow Furze and won 7-5. Now we are through to the next round.
