

# Olympic Handball

Our first time in the red and navy of St. Paul's!

On Monday 21<sup>st</sup> of March, our U-10 girls and boys handball teams travelled to Skryne on a bus. Everyone was very excited. We had our new jerseys on us. They are red and navy. When we got there we saw children from Kentstown on another bus. We went inside the hall and there was a big court. We saw Slane warming up.

The boys played first against Kentstown. The match ended in a draw. The score was 1-1. Kentstown's jerseys are yellow and blue and Slane's are blue and white. Then the girls played Kentstown and everyone cheered but Kentstown won 4-3. The boys played Kentstown again and we won 7-5. Afterwards, the girls played Slane and it was tough match but we won in the end 5-2. After the boys played against Slane but we lost 5-2. We felt tired and happy at the end. It was great fun!
