

# Game, Set, Match!

St. Paul's had a fantastic 2011 Tennis Tournament. Each year, the teachers are amazed at how much the children have improved. This year's tournament proved to be our closest contest yet. The spectators were treated to a fine display of smashes, forehands and backhands in both the semi finals and the finals. The children should also be commended on their acts of sportsmanship and fair play. Well done to every child in third and fourth class who participated in the tournament. We are already looking forward to next year!

## Tennis results
