

## **Sixth Class Bake Sale!**

**This year the 6<sup>th</sup> class held a bake sale in the hall on the 28<sup>th</sup> of February. Each of the children baked a few items and brought them into school. We carried down several tables from the classrooms and arranged them in the hall. We hung up all the posters that we had made to advertise the bake sale. The cakes were arranged on plates according to what type they were. The three 6<sup>th</sup> classes took it in turns to supervise the selling so everyone had a chance to sell each of the items. We made a price list and taped it to the stall. Everybody made a huge effort to sell all the products. The classes were called down one by one and on seeing the cakes they were all very excited. When the Infants left school, the parents came in with empty stomachs and left with empty wallets ending their day with a sugar rush!!!! Thanks so much to all those who baked, sold, organised and cleaned up. We made €1453, which was amazing! This will pay for our mini tour to The Collins Barracks Museum and the Natural History Museum in April and it will also help bring down the cost of our Summer School tour in June.**
