

The boys and girls in St. Paul's entered the annual Pentel International Art Competition. More than 70,000 entries representing 33 countries were posted off to Japan, including our entries from St. Paul's! Every single child in St. Paul's produced stunning pieces of work and it's no wonder that we had a whopping 63 winners! Well done to everyone involved! Have a look below at our winners with their certificates. The children also received a medal and a pentel prize.

Our Pentel Certificate Winners:
