

# Spelling Bee Competition!

St. Paul's had our very first Spelling Bee competition this year. All the children in Sixth Class took part, with nine finalists left at the end. Those nine finalists then went head to head and impressively correctly spelt some very tricky words! Spellers Jack Lanigan and Sophie Scattergood were the last two spellers left and for a long time no word would catch them out. Eventually, Sophie out spelt Jack and she will now go on to represent St. Paul's in the Meath final which will be held in our school on March 5<sup>th</sup>. Sophie is already busy learning lots of words and we'll all be crossing our fingers for her on the big day! Best of luck Sophie from all at St. Paul's!
