

## Getting Fit and Active After School!

We are very lucky in Ratoath to have a vast array of clubs and societies in the area which are available to the community. Have a look at some options below and perhaps you could sign your child up to one of two of the clubs to keep your children fit and active! The Access Ratoath Website also has an up to date list of after school activities: <http://www.accessratoath.com/afterschool.html>
