

Thank You

We would like to say a huge thank you to all the families who donated Christmas shoeboxes and selection boxes. 383 Christmas Shoeboxes were collected last week and will be delivered to children in Africa and Eastern Europe as a Christmas gift. Have a look at this lovely video to see the happy children who received shoeboxes last year. <https://secure.teamhope.ie/csa>

Over 180 selection boxes were also collected and they will be delivered to children in a school in a disadvantaged area of Dublin. Unfortunately there are many children in that school who won't receive many Christmas presents and these selection boxes will make their day!

thank
you
