

News from Ms. McMahon's 1st Class

The boys and girls in Ms. McMahon's First Class have been very busy! We had great fun last week writing very thoughtful letters to Santa. We posted them in the special North Pole Postbox and Santa is very busy right now reading all the wonderful letters.

Yesterday we they had a very special visit from Jingles the Elf. When we were out on our lunchbreak, he snuck in and got up to all sorts of mischief! He had fun building a cool Santa & Christmas Tree made out of Lego AND he moved lots of art & furniture around.

Today we had our Christmas Play which went really well! We performed the show "Hosana Rock" and finished off with a few Christmas songs! Everyone said we were fantastic!
